TERRITORIES

how to play

CAPTURE, CLAIM, CASH IN

1. **Capture.** Complete challenges and find hidden City Keys to unlock a territory.

2. **Claim.** Complete bonus challenges and stay in the zone for the set time to own it.

3. **Cash in.** Earn extra points every 60 seconds you own it, even after you move on.

4. **Defend.** Rivals can challenge you from anywhere. Win the battle to keep your ground.

Nothing stays safe for long

BATTLE FOR IT

1. **Challenge.** A rival team challenges your territory from anywhere on the map.
2. **Battle.** Both teams go head to head in a live multiplayer game, played remotely from wherever they are.
3. **Win or lose.** The winner keeps the territory and its points. The loser hands them over.

Battles include a tap-off tug of war and rock, paper, scissors. Plus many more!

STRATEGY WINS

HOLD THE LINE

01 PICK YOUR TARGETS

Decide which territories are worth holding and plan the fastest route.

02 HOLD YOUR GROUND

Every 60 seconds you own a territory, the points keep rolling in.

03 ATTACK AND DEFEND

Challenge rivals for their ground, and be ready when they come for yours.

Every move shows up on the live leaderboard.

TERRITORIES

Every move counts

LIVE LEADERBOARD

Every territory claimed, every battle won and every 60-second bonus hits the leaderboard in real time.

HOLDING GROUND?
Your score climbs every 60 seconds.

LOST A BATTLE?
Your territory and its points go to your rival.

WHAT OUR CLIENTS SAY

600+

☆ ☆ ☆ ☆ ☆

five-star reviews

“Everyone loved running around doing challenges and it was even better once we know we could disadvantage the opposition!!”

Alex Valladares

"Communication from the start was brilliant and everything is fully organised for you, which made it super easy."

Olivia Evans

"We had a fantastic experience with ClueGo, had 40 participants engaged and bonding together throughout the event."

Tommy Ryan-Maynard
