Your fate is decided at the start

PREDATOR OR PREY?

THE HUNTERS

Catch The Hunted and steal their lives before they reach extraction.

TRACK THEM DOWN

STEAL LIVES

VS

THE HUNTED

Don't get caught. Protect your lives and make it to extraction.

5-MINUTE HEAD START

ESCAPE

Inspired by the TV show Hunted. Your group is split equally between the two sides.

HOW IT WORKS

1. Teams are split equally into Hunters and Hunted.
2. The Hunted teams are released first with a 5-minute head start.
3. Clear checkpoints for points, take on challenges and collect gadgets.
4. The extraction zone is revealed only in the final moments.

Seize strategic checkpoints

300+

CHECKPOINTS TO REACH

Every checkpoint earns points, and interactive challenges trigger around the game zone. Some checkpoints vanish once hit, so the zone keeps shrinking.

Sabotage and spy!

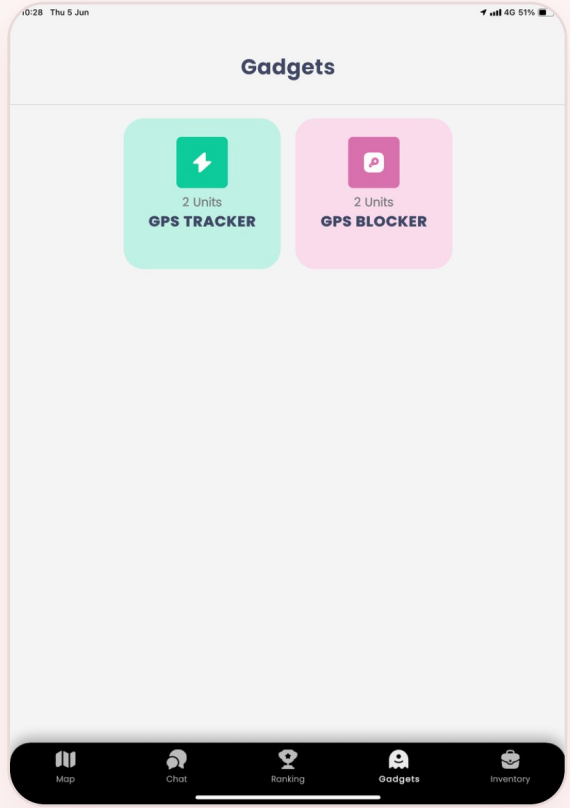

TECH GADGETS

Hunters and Hunted both collect gadgets in the app as they clear checkpoints.

GPS BLOCKER
Block a rival team's iPad from tracking you.

GPS TRACKER
Expose the location of other teams to gain the advantage.

The final moments

RACE TO EXTRACTION

Neither side knows where the extraction zone is until the last moments of the game. Then the race is on.

ONLY THE MOST CUNNING WIN

Constant game changes and cunning planning decide who reaches extraction and claims victory.
